

## That September Day

### Verse 1

Back when i was a child, before life removed all my innonence  
You would hold me tight and whisper I was your treasure  
Take away all my fears, tell me i was enough  
But when i came home on that september day, dad hugged me harder than ever  
Cause they had you, you were gone forever

### Chorus

The smoke, the blood, I remember it all  
This haunted dream keeps killing me  
This is not what life is meant to be  
Faith hope and love are great things god gave us  
We won't let them take that away from us

### Verse 2

Oh I know you were not the only one  
Thousand other beautiful souls  
On that day were gone  
And It happens way too often  
As If hate was slowly replacing happiness  
Though I refuse to give up i'm losing hope  
But i'll keep standing for you and all these people

### Chorus

The smoke, the blood, I remember it all  
This haunted dream keeps killing me  
This is not what life is meant to be  
Faith hope and love are great things god gave us  
We won't let them take that away from us

### Verse 3

So today I stand straight in front you  
To make you understand we've had enough of this violence in vain  
  
Go and settle your conflicts elsewhere  
Here we just want to enjoy the little love we have left  
The time has come to raise our hand  
To finally ask for peace, love and happiness

### Chorus

The smoke, the blood, I remember it all  
This haunted dream keeps killing me  
This is not what life is meant to be  
Faith hope and love are great things god gave us  
  
We won't let them take that away from us
